## 3 GONDOLE MTB TOUR

VALDIDENTRO  
BORMIO  
S.CATERINA

The "3 Gondole" is a MTB and e-bike route that links the 3 main ski lifts in the area: Valdidentro, Bormio, and S. Caterina.

You can start the tour from any of these three locations. The classic itinerary starts in Bormio, riding towards the Valdidentro cableway. From there, you head back to Bormio and take the lift up to Bormio 2000 - or, as an alternative for expert riders only, all the way to Cima Bianca. Next, ride to Santa Caterina Valfurva, take the cableway up, and enjoy a lunch break at the Sunny Valley mountain hut. Afterward, descend into Val di Rezzalo and return to Bormio along the Sentiero Valtellina cycle path.
